THE PROJECT

With over 1 million property listings HomeAway connects holidaymakers with homeowners and property managers, providing consumers with great value.

PROJECT OVERVIEW

The JAC Project Management Team were appointed to provide full independent project management and cost consultancy services, along with the JAC Furniture Team who were appointed to procure a range of furniture items to meet HomeAway's needs over two floors.

ABOUT THE BUILDING

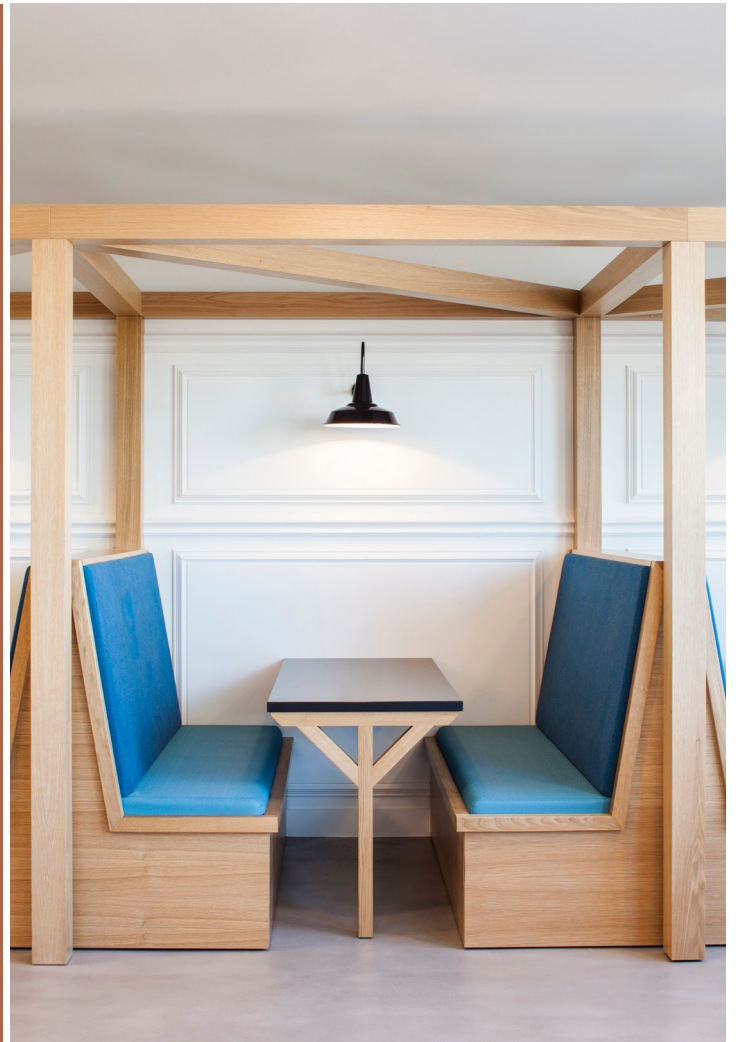

Portland House was built in 1963 and is only a short walk from Victoria Station. Following the area's redevelopment, there is now a wide variety of shopping and eating options in and around Cardinal Place.

"...Originally refurbishing one floor at Portland House, additional space was acquired after the commencement of the project. The additional floor has doubled the preexisting HomeAway office, totalling 22,000 square feet, allowing room for an aggressive headcount expansion plan..."
