

KI EUROPE

KI Europe is a manufacturer of high quality, durable furniture bringing together good design, advanced engineering and sustainable resources.

Project Overview

KI Europe, a manufacturer of high quality, durable furniture have marked their 21st year in the UK by relocating their headquarters to New Fetter Place. This exciting new development presents a stunning double height reception, panoramic lifts and fantastic views across London.

Taking 6,000 sq ft over a single floor, KI are now provided with a complimentary environment which will showcase their products in a readily identifiable setting.

About the Building

New Fetter Place is a new environmentally designed development by Kirkbi Real Estate Investments A/S which provides 92,000 sq ft of Grade A office accommodation. The development is located opposite New Street Square in the heart of Midtown and is arranged around a central courtyard. The two buildings can be occupied separately or together via interconnecting bridge links.
