

USAA

USAA provide a range of tailored financial products and services including banking, investment and insurance to people and families that serve, or have served in the United States military.

Project Overview

Having occupied the same space for 10 years in Fitzwilliam House, USAA believed it was time to update, modernise and refresh their workspace and common areas.

JAC were appointed to provide project management and cost consultancy services. The aim was to successfully maximize the potential of the space whilst updating and refreshing the decorative elements, flooring and audio visual systems.

The office was able to remain functional throughout the entire renovation process. JAC implemented a structured phased plan to minimize disruption to the staff.

Size:	11,500 sq ft
Sector:	Professional Services
Location:	4th Floor , Fitzwilliam House, 10 St Mary Axe, London, EC3A 8AE
Scope of Works:	Cost Consultancy Project Management

"USAA elected to pursue a design and build method of procurement; following a robust pitch process Morgan Lovell were selected to carry out the works. The JAC team provided guidance on programming, budgets and the quality of the finish."

USAA's new space is refreshed, contemporary, clean, bright and modern. The staff are all thrilled with the transformation."
