

HELLMAN & FRIEDMAN

Hellman & Friedman is an American private equity firm, founded in 1984 by Warren Hellman and Tully Friedman, with a reputation for being a leading investor in the media, financial services, professional services, vertical software and information services industries.

Project Overview

Hellman & Friedman are a long-standing client of JAC's, with a professional relationship developed over the last 10 years.

The JAC Design and Project Management team were engaged to refresh Hellman & Friedman's existing space and worked alongside CBRE and M&E Consultants, ESP, delivering a successful project.

The Building

Originally known as Vickers Tower, Millbank Tower is a Grade II listed 118-metre high skyscraper in Westminster on the banks of the Thames with fine views over the Houses of Parliament, the London Eye and other city landmarks.

Size:	7,600 sq ft
Sector:	Fund Management & Investment
Location:	Millbank Tower, 21-24 Millbank, London, SW1P 4QP
Scope of Works:	Cost Consultancy Project Management Design Consultancy Furniture Procurement

"Hellman & Friedman's office refurbishment is a perfect example of what can be achieved by using all of JAC's resources. The office now compliments the view that the space had to offer and the employees can now host clients in a very professionally designed office. Hellman & Friedman were an excellent client throughout the whole process."
