

LEADING MAYFAIR ASSET MANAGER

Project Overview

JAC have successfully designed and managed works on behalf of a leading Asset Manager at Grosvenor Estates new flagship development at 33 Davies Street in London's Mayfair.

The property boasts 28,856 sq ft of highly specified grade-A offices with one of London's most prestigious addresses, opposite Claridge's Hotel.

JAC were appointed to provide full architectural design services with the design scheme delivered by Creative Director, Tammy Nestor. In addition, JAC Project Management coordinated and managed a wide ranging professional team, conducted by JAC Project Manager Matthew Glynn and Lead Consultant Lawrence Mohiuddine.

About the Building

33 Davies Street is a distinctive landmark building of 28,856 sq ft of highly specified Grade A offices with one of London's most prestigious addresses, opposite Claridge's Hotel.

Location:	Davies Street, Mayfair, London, W1K 4LR
Scope of Works:	Cost Consultancy Project Management Design Consultancy

"This project represented one of the fastest moving JAC projects to date. We were set an exacting timescale by our client who were faced with a critical date for handover of their existing property. With so many professional advisors to coordinate on behalf of both the landlord and the client, this was always going to be a project that called for strong communication. The delivery on site by the successful contractor was first rate and gained glowing plaudits from both the client and our internal team."

John Cox,
Managing Director
JAC Group
