

INGRAM MICRO

Ingram Micro, the world's largest technology distributor and a leading technology sales, marketing and logistics company for the IT industry worldwide.

Project Overview

The JAC management services included Project Management, Cost Consultancy and overseeing the site works, with a leading fit-out company Area Squared delivering the project and Benson Elliot Real Estate Partners looking after Ingram Micro's best interests.

JAC Project Management also provided advice and carried out negotiations on the desired level of specification of the CAT A works.

About the Building

CBX11 forms part of the established Central Business Exchange complex and is a highly distinctive white marble clad building divided into two wings, East and West.

JAC GROUP

JAC Group are a multi-disciplinary practice that provide a breadth of creative, independent and transparent consultancy services that allow clients total flexibility and best practice solutions in the planning and execution of their real estate requirements.

www.jac-group.co.uk

Size:	30,300 sq ft
Sector:	IT & Communications
Location:	406 - 432 Midsummer Boulevard, Milton Keynes, London
Scope of Works:	Cost Consultancy Project Management

"JAC were brought into the process later on than usual to oversee the final contract negotiations with the selected design and build contractor Area Squared. Ingram Micro UK wanted certainty that they were spending their money in the correct areas in order to create the desired high level finish for both clients and staff. JAC provided expert advice to Ingram Micro and working alongside both Ingram Micro and Area Squared achieved a contract sum and specification level that all were satisfied with."
